We specialize in barbecues, lobster bakes, and clambakes and we cater all types of events all over the South Shore and the Greater Boston area, including weddings, corporate outings, birthday, graduation, and anniversary parties, tailgates, family reunions, and rehearsal dinners.

We make virtually everything on our menu in-house and from scratch, including our sauces, dressings, spice rubs, and marinades, and we use fresh, high quality ingredients like USDA Choice beef, Grade A, vegetarian-fed, cage-free chicken, and the freshest produce, meats, and seafood we can get.

We have catered every type of event imaginable including weddings for 250+ guests, tailgates for 400+ guests, and company barbecues for world-renowned corporations and universities. We have even catered a couple of NHL Stanley Cup™ victory parties, so whatever you have in mind, Grill 41 will be sure to make your event a memorable one.

Each of the events that we cater is important to us and we pride ourselves on our customer service and we make it our goal to provide our customers with the best food and service available anywhere.

For more information about Grill 41 or to have us cater your next event, please see our website at www.grill41.com and contact our chef & owner, Joe Hiffa, via e-mail at catering@grill41.com or at 781-223-2137.

About Our On-Site Catering Service

We generally cook right on-site for all of our events. We come in with our own grills and equipment and we prepare everything for your event outdoors and set up your buffet wherever you would like (indoors or outdoors). We also cook throughout the event so your food keeps coming out fresh for all of your guests. We provide at least one chef and one or more catering assistants who will cook on-site during your event and help to serve, set up, and maintain, and breakdown your buffet.

Our on-site catering service also includes heavy duty white Chinet paper plates, white plastic flatware, and napkins for your event in the menu price at no extra charge. Our lobster bake and clambake packages also include lobster crackers, lobster bibs, and wet naps in the menu price. We also provide all the buffet tables, buffet tablecloths, disposable wire chafing stands with aluminum pans and sternos, and serviceware that you will need for your event.

We generally provide a full-service buffet for all of our events. We also provide alternative service options, including a self-service buffet, passed appetizer service, buffet station service, and bartending service upon request.

Our team generally arrives on-site about one to one and one-half hours before your food is scheduled to be served and we plan to be on-site for about 4 hours during your event, including set-up, service, and breakdown time. For weddings and longer events, we usually plan to be on-site for about 5-6 hours.

Our minimum on-site catering service charge is \$500. Our total on-site catering service charge depends on your menu, the type of event, the event location, the number of guests, additional staffing requirements, rentals, and other details of your event.

Please note that all of our menu offerings & prices are subject to change at any time. Please also note that our menu prices and on-site catering service charges do not include additional charges for Massachusetts meals tax that may apply. All menu prices are based on a 50 person minimum. Additional charges may apply for smaller parties. For more information about our on-site-catering service, menu packages, and current pricing please see our website at www.grill41.com.

*Before placing your order, please inform your server if a person in your party has a food allergy.
